

# Earthquake Strikes Haiti

CARE, the leading humanitarian organization, is on the ground right now in Haiti helping to supply food, water and emergency health services. CARE needs your support to continue this lifesaving work.

## Here are a few ways you can help now!

**Join:** We can't do this alone. Join the CARE community by going to <http://www.care.org> and entering your e-mail address, we will keep you up-to-date on the latest news and ways you can help.

**Donate:** Your gift to CARE's Haiti Emergency Response Fund will help us address the immediate needs of the survivors of this catastrophic disaster. You can give in several convenient ways:

- Go to <http://www.care.org/give>
- Call at 1-800-521-CARE
- Text CARE to 25383

**Email:** Add a signature to all your emails to help spread awareness. You can start with the text "Help CARE respond to the earthquake in Haiti: <http://www.care.org/give>" and elaborate as you please.

**Twitter:** Follow @CARE on Twitter and retweet our posts: <https://twitter.com/care>. Here is a sample tweet you might use, "CARE is on the ground helping #Haiti survivors. Support CARE's lifesaving work - please donate at <http://bit.ly/4X63HY>"

**Facebook:** "Donate" your status update to let people know that CARE is on the ground in Haiti, providing emergency health services, food and clean water to people affected by the earthquake. Link to <http://www.care.org/>. You also can link to CARE's Haiti Cause page: <http://apps.facebook.com/causes/191170> and repost CARE's updates. Follow CARE on Facebook (<http://www.facebook.com/carefans>) and repost our updates.

**Print:** Copy this flyer and pass it out to all your friends, family, and coworkers.
