1. For transactions within the U.S., ACH is the preferred payment method because ACH transfers are less expensive than wire transfers.
2. This 9-digit ABA number may be used to send funds either by domestic wire or by ACH transfer.
3. International wires require use of a SWIFT code. Please note that bank accounts in the U.S. do not use IBAN bank account formatting.

If you have questions or need additional information regarding your bank transfer, please email Lester Mendiola (lester.mendiola@care.org) or Noel Asis (noel.asis@care.org).
